“An investment that keeps on growing.”

INTERIOR PLANTS: Bringing the Outdoors In

Our mission at Nature's Way, inc. is to enhance our customers' lives by creating environments that contribute to pride of ownership, profitability, and pleasure.

Living plants can enhance the atmosphere and image of both public and private spaces. From corporate lobbies to individual offices, plants bring forth the freshness of outdoors, boosting morale and productivity of employees and visitors alike.

Our staff of design professionals can take you from concept to completion. Our experience and knowledge of interior landscapes is vital in assisting our clients in the design of attractive plantings. Our full list of services ensures that we can provide the best care for our clients needs, whatever they may be.

SERVICES:

- Commercial/Residential Design & Installation
- Guaranteed Maintenance
- Short-Term Plant Rentals
- Miscellaneous Service Calls
- Product Sales
- Flowering Plant Program
- Holiday Decorating
- Poinsettias & Other Seasonal Plants

Short-Term Plant Rentals

Our short-term plant rental program is ideal for enhancing the beauty of your products or services at trade shows, or for creating a warmer atmosphere for business meetings, conventions and weddings.

Basic plant rental charges are based on the size and quantity of the desired plant(s). Please see our short-term rental agreement for more specific information on pricing. Pricing for delivery and special requests such as after hours pick up/ drop off and weekend events is made available upon request. Please provide two weeks notice prior to the event to ensure that we can accommodate your order.
